IEEE

RECCAP 2026

IEEE International Conference on Recent Advances in Electronics, Communication, Computing, Automation and Power

Organised by
IEEE Malabar Subsection
&
IEEE Kerala Section

May 22 - 24, 2026

Indian Institute of Technology Palakkad, Kerala, India

IIT PALAKKAD

IEEE RECCAP 2026

https://reccap.in/

About the Conference

The International Conference on Recent Advances in Electronics, Communication, Computing, Automation, and Power (RECCAP 2026) is a premier event designed to bring together researchers from academia, industry and government across the globe to explore the latest advancements and emerging trends in these interconnected domains. Topics of interest include advances in electronics, next-generation communication systems, AI and machine learning applications, automation and robotics, power management, smart grids, IoT, embedded systems, and more. RECCAP 2026 will serve as a significant platform for sharing knowledge, discussing complex issues, and proposing solutions, and contributing to the advancement of these critical fields in tackling contemporary global challenges.

Kerala

Kerala, a state on India's tropical Malabar Coast, is celebrated worldwide for its lush, diverse landscapes and rich culture, earning it the moniker "God's Own Country." Flanked by the Arabian Sea to the west and the towering Western Ghats to the east, it offers a stunning variety of experiences within a small geographic area

IEEE Malabar Subsection

The IEEE Malabar Subsection is a regional unit under the IEEE Kerala Section, serving the Malabar Region (northern districts) of Kerala, India. Established in 2010, the subsection plays a crucial role in promoting technological advancement and professional development for its members. It acts as a platform for IEEE members in the area to collaborate, share knowledge, and engage in technological innovation aligned with IEEE's global mission.

IEEE Kerala Section

The IEEE Kerala Section has been a vibrant and innovative force in fostering technological excellence and professional growth in this part of India. Formally established in 1983, it plays a key role in advancing technology for humanity within the state of Kerala. With over 12000 members and more than 100 student branches, IEEE Kerala Section acts as a bridge for the members to connect with the global community.

IIT Palakkad

Established in 2015, the Indian Institute of Technology, Palakkad is dedicated to creating an environment that enables students and faculty to engage in the pursuit of knowledge, to dream, think, and innovate thereby becoming change agents for a better world. Located on a sprawling 500-acre campus at the foothills of the Western Ghats, the Institute embraces a vision to be a leader in cross-disciplinary inquiries, and to contribute to the potential that India's demographic dividend represents for the country and the world, which is embodied in the motto of the institute “Nurturing minds for a better world”.

ORGANISING COMMITTEE

General Chairs

A Seshadri Sekhar, *Director, IIT Palakkad*
Sameer S M, *NIT Calicut*

General Co-Chairs

Gilesh M P, *GEC Thrissur*
Nafeesa K, *MESCE, Kuttippuram*

TPC Chairs

S D Madhu Kumar, *NIT Calicut*
Manas Kumar Jena, *IIT Palakkad*

TPC Co-Chairs

Rijil Ramchand, *NIT Calicut*
Shihabudheen K V, *NIT Calicut*

Organising Chairs

Arun Rahul S, *IIT Palakkad*
Sreeram Manghat, *GEC Kozhikode*

Publication Chair

Rakesh R Warier, *NIT Calicut*

Publicity Chairs

Vinita Chellappan, *GEC Palakkad*
Bindima T, *GEC Kozhikode*

Finance Committee Chair

Sabiq P V, *KMCT CE, Kozhikode*

Tutorials & Workshops Chair

Deepak M, *NIT Calicut*

Sponsorship Chairs

S N Deepa, *NIT Calicut*
Shabeera T P, *GPC Kozhikode*

Webmasters

Basil Reji, *Qburst*
Viswanatha Kartha V, *IBM*

Advisory Committee

Abraham T Mathew, *Former Professor, NIT Calicut*
Gopakumar A, *MESCE, Kuttippuram*
B S Manoj, *Chair, IEEE Kerala Section*
Bala Prasanna, *Director, IEEE Region 1, USA*
Debabrata Das, *Director, IIIT Bangalore*
Deepak Mathur, *Immediate Past Vice-President, IEEE MGA*
Gopakumar A, *MESCE, Kuttippuram*
Jayaprakash P, *Director, DTE Kerala*
Jenifer Castillo, *Director, IEEE Region 9*
Lillykutty Jacob, *Principal, Amal Jyothi College of Engineering*
Mini Ulanat, *Past Chair, IEEE Kerala Section*
Mohandas K P, *Former Professor, NIT Calicut*
Muhammad Kasim, *Past Chair, IEEE Kerala Section*
Murty Polavarapu, *President, IEEE SSIT*
Nikhil P G, *National Institute of Solar Energy, Haryana*
P Nagabhushan, *Vice Chancellor, Vignan's Foundation for Science, Technology and Research*
Preeti Bajaj, *Chair-elect, IEEE India Council*
Prerna Gaur, *Chair, IEEE India Council*
Sarada Jayakrishnan, *Past Chair, IEEE Kerala Section*
Sasi P M, *Past Chair, IEEE India Council*
Savier J S, *Sr. Joint Director, DTE Kerala*
Sivaji Chakravorti, *Former Director, NIT Calicut and Professor, Jadavpur University*
Suresh Nair, *Past Chair, IEEE India Council*
Tarek Lahdhiri, *Director Elect, IEEE Region 4*

Call for Papers

We invite authors to submit high-quality original research papers presenting innovations, applications, reviews and case studies. Contributions are welcome in, but not limited to, the following thematic tracks:

Track 1: Power, Energy Systems & Sustainable Mobility

Track Chairs: **Naga Brahmendra Yadav Gorla,** *IIT Palakkad*
Nimal Madhu M, *NIT Calicut*

- Renewable energy technologies
- Energy storage systems
- Virtual power plants
- Power electronics and converters
- Smart grids and microgrids
- Grid operation, planning, and policy
- Electric vehicles and e-mobility
- Smart grid communications and IoT
- Energy transformation and utilisation

Track 2: Microelectronics, Devices & Photonics

Track Chairs: **Revathy Padmanabhan,** *IIT Palakkad*
B Bhuvan, *NIT Calicut*

- VLSI design, embedded systems, and system-on-chip architectures
- Semiconductor devices, nanoelectronics, and advanced materials
- Analog, mixed-signal, and RF circuit design
- MEMS/NEMS devices, sensors, and actuators
- Photonics, optoelectronics, and integrated photonic circuits
- Flexible, wearable, and energy-harvesting electronics

Track 3: Communication, Signal Processing & Networking Technologies

Track Chairs: **Anoop Thomas,** *IIT Palakkad*
Sudeep P V, *NIT Calicut*

- Wireless and mobile communication (5G, 6G, and beyond)
- Optical communication systems and fibre networks
- Satellite, UAV, underwater and space communications
- IoT, low-power wide-area networks, and sensor networks
- Software-defined networking, network slicing, and edge intelligence
- Signal processing, channel coding, and modulation techniques
- Statistical and adaptive signal processing
- Machine learning for signal processing and communication
- Image, speech, video, and multimodal signal processing
- Information forensics, secure communications, and cryptographic signal processing
- Remote sensing and signal processing

Track 4: Intelligent Computing, Data Science & Cybersecurity

Track Chairs: **Sahasranand K R,** *IIT Palakkad*
Lijiya A, *NIT Calicut*
Arun Ravindran, *University of Charlotte, USA*

- Artificial intelligence, machine learning, and deep learning
- Intelligent modeling, forecasting, prediction, and detection systems
- Big data analytics, data mining, and visualization
- Cloud, edge, and fog computing architectures
- Cybersecurity, cryptography, privacy, and digital forensics
- Explainable and trustworthy AI systems
- Software engineering, modeling, and development practices

Call for Papers

Track 5: Automation, Robotics & Intelligent Systems

Track Chairs: **Shaikshavali Chitraganti,** *IIT Palakkad*
Rakesh R. Warier, *NIT Calicut*

- Autonomous and collaborative robotics
- Control theory, systems, and optimization
- Intelligent and nonlinear control systems, and multi-agent systems
- Human-robot interaction and assistive robotics
- Digital twins and cyber-physical systems
- Intelligent transportation systems and smart mobility solutions
- Automation in healthcare and agriculture
- Smart manufacturing (Industry 4.0)
- Process control and Instrumentation
- Micro and Nanotechnology in Instrumentation and Measurement
- Advances in modern instrumentation

Track 6: Advanced Biomedical, Quantum & Immersive Technologies

Track Chairs: **Rathinaraja Jeyaraj,** *Stanford University, USA*
Pournami P. N, *NIT Calicut*

- Quantum computing and quantum communication
- Post-quantum cryptography
- Bio-inspired computing and biomedical engineering
- Biosignal processing and medical imaging
- Healthcare technologies and wearable health devices
- Augmented, virtual, and mixed reality
- Human-computer interaction and brain-machine interfaces
- Blockchain, fintech solutions, and decentralized applications
- Smart cities, environmental monitoring
- Sustainability driven innovations

Track 7: Industry Practice, Innovation & Technology Deployment

Track Chairs: **Varghese Cherian,** *UST Global*
Sudhi Sudharman, *Tata Elxsi*
Ajith Gopi, *ZONERGIA Services Pvt. Ltd.*

- Translational research and industry-academia collaboration
- Industrial case studies and real-world applications
- Startups, entrepreneurship, and commercialization pathways
- Technology adoption, scalability, and field deployment
- Sustainability, circular economy, and industrial impact assessment
- Transformation and innovation management
- Product design and development
- Technology development & assessment

Conference Publications

Accepted and presented papers will be submitted for inclusion into IEEE Xplore Digital Library subject to meeting IEEE Xplore's scope and quality requirements.

Important Dates

Submission portal opens	10 October 2025
Paper submission deadline	10 December 2025
Notification of acceptance	20 February 2026
Camera ready paper submission	02 April 2026
Conference Dates	22 - 24 May 2026

Registration Fees

Categories	Before March 14, 2026		March 15 to April 10, 2026	
	Indian Delegates	Foreign Delegates	Indian Delegates	Foreign Delegates
Industry Professionals				
IEEE Member	₹ 9000	300 USD	₹ 10000	350 USD
Non-Member	₹ 10000	350 USD	₹ 11000	400 USD
Academia				
IEEE Member	₹ 8000	250 USD	₹ 9000	300 USD
Non-Member	₹ 9000	300 USD	₹ 10000	350 USD
Students / Additional Delegates				
IEEE Member	₹ 6000	150 USD	₹ 7000	200 USD
Non-Member	₹ 7000	200 USD	₹ 8000	250 USD
IEEE Life Member				
IEEE Life Member	₹ 6000	150 USD	₹ 7000	200 USD
